Extension of Senheng Easy2Own Program 2025

Warmest greetings from AEON Credit Service!

We are pleased to offer **Extension of Senheng Easy2Own Program 2025** details and Terms and Conditions as stated below;

Campaign Period : 3 January 2025 – 30 June 2025

Participated Outlets : All Senheng / senQ outlets (Agent Code: 0004000/ 0000004)

Promotion Code : **SH2406PP01**

Note: Promotion code input is compulsory for the promotion mechanics

Promotion Mechanics:

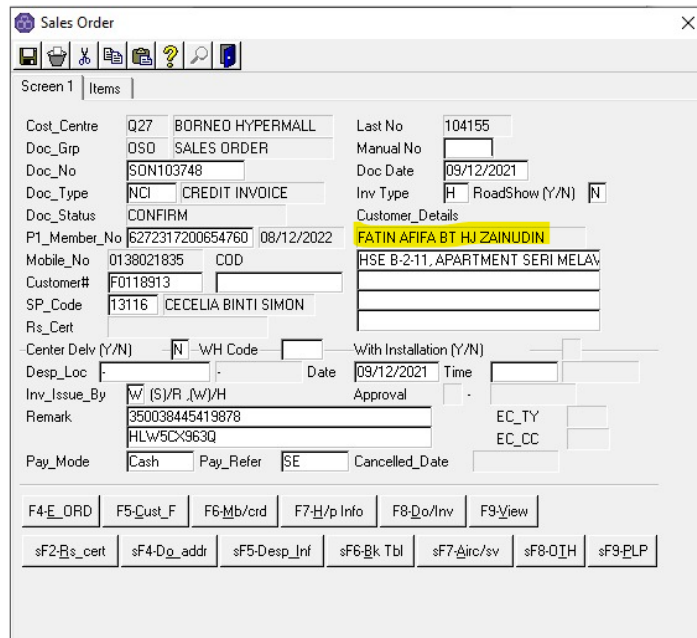

1. 0.99% Interest Rate with 36 Months Tenure for selected products in appendix:

- Each approved application with the purchase of selected models with respective package codes, within the campaign period with sales claim confirmed will be eligible to enjoy the campaign offer as stated above.
- All applications are required to make a **downpayment** with the set amount by Senheng in order to proceed with the application.
- Eligible products will be adjusted in accordance with the latest product listing from Senheng. Notice of changing of the product listing should be provided to ACS 7 working days in advance and will be updated in the appendix.
- Invoice submitted during sales claim should display total bundle price. No other amount should be displayed in the invoice for streamlined processing.
- Senheng will inform outlets on the eligible models and package codes with the mechanic respectively.
- Senheng will verify the package codes based on the sales claim report provided by ACSM.
- All applications are required to **submit 2 additional documents**: Screenshot of Sales Order "Screen 1" and Screenshot of Sales Order "Items" (Refer to "Important Notes").

Important Notes:

- All application submission is required to submit **2 additional documents (screenshot)** as below and to ensure all **item code** selected correctly within the eligible models.
- Screenshots to be attached in the application form during submission.
(Product details in the screenshots are sample for reference only, please insert only the package code specifically created for this program.)
